

Wolf Creek Pool Party Reservation Form & Rules

Parties must be reserved at least 2 weeks prior to the event. Once the pool party is over you must clean up the area and take the trash home. We do not have room for the extra trash. If you fail to clean, remove your trash, vandalize the property, or violate any pool rules, a minimum of \$100 will be charge to your account and your Amenities Card will be suspended.

Pool Party Rules:

- Any group of 5 or more swimming guests constitutes a party and a form must be completed with the amenities committee.
- By reserving your party, it only ensures that another party will not take placed on that day, or at the same time. Only one party will be allowed at a time.
- There is a 20 person/guest MAX on pool parties.
- There is a time limit of 4 hours MAX per party. This includes set-up and clean-up time.
- Homeowners cannot reserve the entire pool and pavilion. Only half of the pavilion is to be used for the party set-up.
- We cannot exclude any other homeowners and their families/guests from using the pool during a party.
- You can use 1 table and 4 chairs that are at the pool. It is ok to bring 1 extra table and an additional chair for the party.
- There are no pool parties allowed on HOLIDAY WEEKENDS.
- If you want to try to avoid a crowded pool, we suggest a Sat/Sun in the AM. Afternoons tend to be much busier.
- The pool hours are Mon-Sun 9am to 10pm.
- Please review the revised pool rules posted on the cork board at the pool area.

SAME DAY POOL PARTY REQUESTS WILL INCUR A \$50 ADMINISTRATION FEE.
